

Thank you

Hello from your friends at the Staples Area Chamber:

We would like to express our thanks for considering joining or renewing your membership with the Staples Area Chamber of Commerce. We are truly blessed in our community to have leaders, business owners, educators, and citizens who realize that we all share in the responsibility of creating economic success and happiness within our community.

It is an exciting time to be a member of the Chamber. We are creating new networking and promotional opportunities to help our member businesses succeed and are looking to grow our community events that allow our member businesses to gain visibility. We are expanding our membership engagement experiences and invite you and your employees to join us in strengthening our community.

Enclosed are our 2023-2024 Membership Drive materials. Our theme is "It's Grow Time."

As a member, you have the opportunity to grow your business, grow our community, and grow the Chamber. For your convenience, we have included a pre-addressed and stamped envelope to return your membership dues and member information form.

Please return these items via mail to the Chamber by July 14, 2022.

We would like to invite you to become more involved in the Chamber and help guide the direction and on-going efforts of the Chamber. The board meets monthly on the 4th Wed. of the month at 8:30 am at the Timberlake Hotel. As a member you are welcome to participate in all board meetings as well as take a leadership role on the board. We would love to see you at an upcoming meeting!

Thank you once again for joining the Chamber. We are confident that the more you experience all that the Chamber has to offer, the more you will realize the value of your business decision. If you have questions or need additional information, please do not hesitate to contact me at 218-894-3974 or via email at stapleschamber@gmail.com.
